## ReliabilityFirst Open Compliance Calls

ReliabilityFirst offers regularly scheduled Open Compliance Calls for our Registered Entities that provide an open forum for addressing topics and questions relevant to a majority of compliance users in the ReliabilityFirst region. **The ReliabilityFirst Open Compliance Calls are held on the third Monday of each month, starting at 2:00 p.m. Eastern Time.**

The purpose of the Call is to provide ReliabilityFirst a means of reaching-out to our entities and to provide relevant timely compliance information to our registered entities on a more frequent basis than our semi-annual Reliability Workshops, and to answer and address any questions that might be raised by our Entities.

ReliabilityFirst Subject-matter Experts (SME) will be on-hand and participate on each call. ReliabilityFirst SME's will make brief presentations and provide updates, if needed, followed by a Question and Answer session to address issues and concerns raised from those participants on the call; however, in fairness to everyone on the call, ReliabilityFirst Staff will not address entity-specific questions and issues. These types of questions will be handled off-line, directly with the affected entity on a case by case basis with our Compliance Staff.

The ReliabilityFirst Open Compliance Calls are conducted via WebEx and will be held on the third Monday of every month, from 2:00 p.m. to 3:00 p.m. (Eastern Prevailing Time).

All interested Registered Entity staff members are invited to attend and the call-in information is provided below:
